Usage & Packaging:

- We packaged our test batches of scalp mask in 4 Ounce Flat PET Jars. These crystal clear jars do a great job of showing off the natural beauty of this natural product.
- To use, separate hair into small sections, then brush mask onto the scalp. Massage scalp gently using your fingers or a simple tool like our Wooden Cellulite Brush. Cover hair with a shower cap or damp towel, then allow mask to set for 10-15 minutes. Rinse with water, then vinegar rinse (2 tablespoons apple cider vinegar per 1 cup water) followed by shampoo and conditioner if needed.
