

Apricot & Rose Lip Shimmer

a fruity lip balm with a sheer pink tint.

Ingredients

- 1 teaspoon (5 g) candelilla wax
- 1 tablespoon (15 g) murumuru butter
- 1 1/2 teaspoons (7.5 ml) apricot kernel oil
- 1 1/2 teaspoons (7.5 ml) clear jojoba
- 1/8 teaspoon (1 g) gem tone tan opal mica
- 1/8 teaspoon (1 g) gem tone ruby mica
- 1/8 teaspoon (0.65 ml) apricot plant-based fragrance oil
- 10-20 drops rose Otto essential oil

Makes about three 0.3 ounce tubes

Directions:

1. Combine candelilla wax and murumuru butter in double boiler and heat until fully melted.
2. Add apricot and jojoba oils. Stir well, then remove from heat.
3. Add mica and stir well to fully blend colors. Break up any lumps that form.
4. Add fragrance oil and essential oil.
5. Allow mixture to cool for about 30 seconds, then stir it once more before pouring it carefully into tubes. Use remaining mixture to top off tubes after they begin to cool and contract from top.

Usage & Packaging:

- These colorful balms look wonderful in any tube or small jar. We chose to package our Apricot Rose Lip Shimmers in our 0.3 ounce paperboard tubes. They would also look very nice in our classic white lip balm tubes or in our silver slider tins.
- To use, simply apply to dry lips as needed. Shimmer may be worn alone or in combination with another lip color.
