

# Maple Coffee Lip Balm

a sweetly scented coffee butter balm

## Ingredients

- 18 grams Candelilla Wax Pellets
- 12 grams Coffee Bean Butter
- 18 grams Cocoa Butter, Deodorized
- 30 grams Organic Virgin Pumpkin Seed Oil
- 6 grams Maple Flavor Oil

Makes about 3 ounces (ten 0.3 ounce lip balm tubes)

## Directions:

1. Melt candelilla wax in double boiler. If necessary, cover boiler to increase heat and reduce melt time.
2. Add cocoa and coffee butters. Heat until fully melted.
3. Remove from heat and quickly add pumpkin seed oil and maple flavor oil. Stir to combine.
4. Allow mixture to cool to 120F (49C). Pouring at a reduced temperature will help the packaging avoid warping.
5. Carefully pour mixture into lip balm tubes. (We used a pipette dropper to avoid spilling.)
6. Allow balms too cool and harden completely before adding caps.

## Usage & Packaging:

- To use, simply apply balm to dry lips as often as desired.
- We packaged this recipe in our gorgeous paperboard tubes and jars. They would also look great in standard lip balm tubes.
